AS EASY
AS LAKE LIFE**

ALWAYS GO TO THE LAKE

There's a saying around here—"Always go to the lake." The vast vistas of Lake Michigan are just a few minutes walk from our hotel and offer inspiration in all seasons. From summer's buzzing beaches, to winter's solitary stretches, no two days are the same. Whether you're in town to recharge the team or get down to business, the lake's everchanging rhythms always offer some sort of spectacle, and the sunsets dazzle year round.

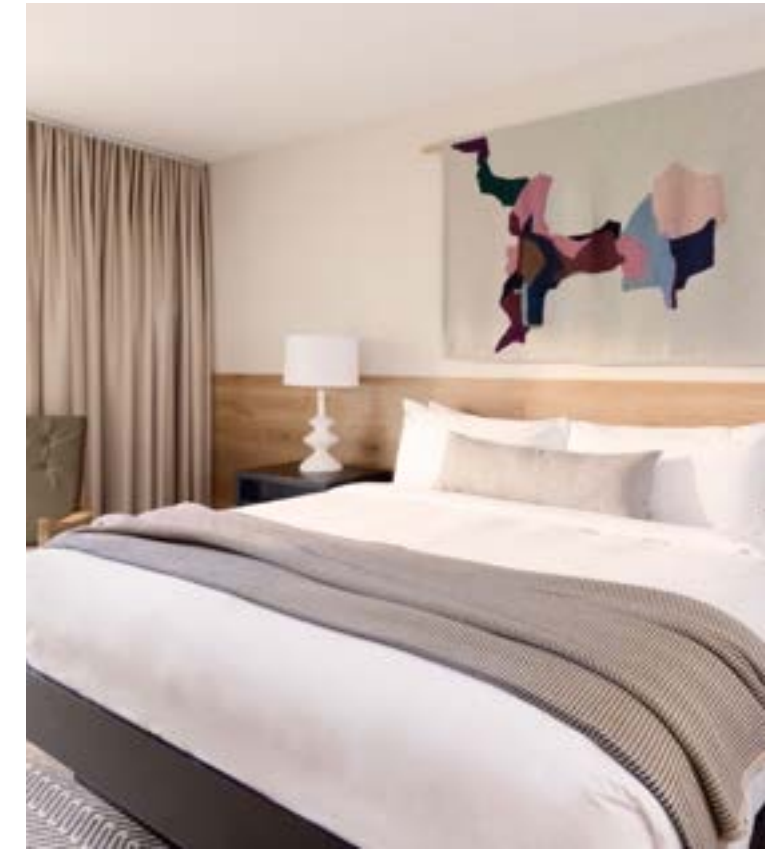

And the lake is just the start, as the area also boasts a bustling marina, impressive sand dunes, bountiful farms and vineyards, and numerous charming lakeshore towns. There's no shortage of inspiring diversions beyond our lobby doors. All this just a short drive from many major Midwestern cities.

THE SHORE AND SO MUCH MORE

Our enchanting stretch of southwest Michigan has so much to offer and is sure to impress.

You'll find a welcoming and inspiring community of lake lovers and folks who enjoy all season adventure, small town charm, and—thanks to our proximity to Chicago—a healthy dose of cosmopolitan influence and energy.

Mere steps from our lobby, you can explore an eclectic mix of shops and galleries in New Buffalo, and the neighboring towns include numerous antique dealers, theaters, boutiques, and other hidden gems waiting to be discovered.

Our lakeside setting and nearby rivers, old growth forests, and majestic sand dunes means that recreational opportunities abound in all seasons. Hiking, biking, golf, skeet shooting, swimming, fishing, pickleball, kite sailing, and even surfing (yes, you can indeed surf on Lake Michigan!) are just a few of the pursuits you can enjoy within minutes of our hotel. And our westward facing location means that sunsets over the lake are always an event worth seeking.

When the farm is just miles (even steps!) from the table, good eats abound. Whether you're hosting a group of 10 or 50, find one of a kind dining experiences unique to your group's needs. From diners to fine dining and sandwich shops to supper clubs, with plenty of taverns, distilleries, wineries, and speakeasies in between, there's something to please everybody.

Whether you're interested in exploring art, craft, music, food and drink, or just the beauty of the landscape, you're sure to find something to inspire your group beyond the meeting space.
